BUJU 2023

WE live in incredibly crazy times. Thousands of possibilities. Endless offers. Infinite freedoms – the world is open to us. More free time than ever before. So many Instagram friends as never before. And at the same time massive crises. Global, local and personal challenges everywhere. Insecurities everywhere. The proven fluctuates. Something new is waiting, but is unsure. Should I go into the uncertain future or is it better to stay at home? Is there a “right” or “wrong” way?

In everything that is complex, challenging and often overwhelming, we want to discover and experience “GAMECHANGER” moments. Moments that are full of diversity, creativity and freedom and we like to experience that Jesus is the center.

BUJU “GAMECHANGER” – Worship, seminars, workshops, small groups, Jesus, freedom, action, “just be”!

BUJU – for you, for us, for your faith
